stain one's soul? After conquering Zeus and thwarting Athena, Kratos believes himself to be finally free from his bondage. He sets sail for the desert in an attempt to distance himself from his home and his shame only to find his rage and guilt follow close behind. Armed with the deadly chained Blades of Chaos, guided by the goddess Athena, and driven by his own insatiable thirst for vengeance, Kratos seeks the only relic powerful enough to slay Ares . . . a quest that will take him deep into the mysterious temple borne by the Titan Cronos! From the black depths of Hades to the war-torn city of Athens to the lost desert beyond, God of War sheds a brutal new light on the bestselling video game and on the legend of Kratos.
