'Til Death Us Do Part...sometimes. Clara Dearheart works in a funeral parlor and talks to her clients. Her friends and family have watched her suffer after the loss of her partner and urge her to move on, but all Clara wants is to stand still. Bebe Franklin writes terrible soap episodes and needs a career change. Her boss hates her; her friends are sharp as knives; all Bebe wants to do is run. And she does—straight into Clara's calm, ordered, and extraordinary life. For Clara can see ghosts and waits for her dead lover. How can Bebe compete with a love that transcends death, a love that knows no rest? A love that haunts all it touches.

"Cafes are where change happens and people feel most themselves. In this surprising book we see how Japan came of age in the café--where women became free, where people jazz and poetry could reign. And, of course, where coffee is at its perfectionist best. Always a congenial companion and teacher, Merry White shows us a whole society in a beautifully made cup." --Corby Kummer, The Atlantic "Merry White's book is vital reading for anyone interested in culture and coffee, which has a surprising and surprisingly long history in Japan. Tracing the evolving role of the country's cafes, and taking us on armchair visits to some of the best, White makes us want to board a plane immediately to sample a cup brewed with 'kodawari,' a passion bordering on obsession. " --Devra First, The Boston Globe "Coffee Life in Japan features highly engaging history and ethnographic detail on coffee culture in Japan. Many readers will delight in reading this work. White provides an affectionate, deeply felt, well reasoned book on coffee, cafes, and urban spaces in Japan."--Christine Yano, author of Airborne Dreams: "Nisei" Stewardesses and Pan American World Airways "Combining unmistakable relish for the subject with decades of

academic expertise, Merry White skillfully demonstrates that the café, not the teahouse, is a core space in urban Japanese life. Her portrait of their endurance, proliferation, and diversity aptly illustrates how coffee drinking establishments accommodate social and personal needs, catering to a range of tastes and functions. It is a lovely and important book not only about the history and meanings of Japan's liquid mojo, but also about the creation of new urban spaces for privacy and sociality." --Laura Miller, author of *Beauty Up: Exploring Contemporary Japanese Body Aesthetics*

Includes the plays *Toast*, *Mr England*, *Smack Family Robinson*, and *Honeymoon Suite* 'Suddenly with four new plays opening within 12 months, Richard Bean has become the playwright of the moment and now, in *Honeymoon Suite*, his most prestigious premiere to date, he has written what seems like the perfect play' *The Financial Times* on *Honeymoon Suite* 'Toast is as funny, touching, and brilliant an account of men at work as any we have had since David Storey's *The Changing Room*' *The Spectator* on *Toast* 'Cunningly effective' *The Times* on *Mr England* 'A brilliant black satire that plays on an Ortonesque reversal of values. Bean distributes deftly crafted, razor-sharp lines among a cast of characters who would sooner snort them than deliver them.' *The Guardian* on *Smack Family Robinson*

The timeless, bestselling four-part epic that began with the Pulitzer Prize-winning *Lonesome Dove* takes readers into the lives of Augustus McCrae and Woodrow Call, two tough-as-nails Texas Rangers in the heyday of the Old West. *Dead Man's Walk* As young Texas Rangers, Augustus McCrae and Woodrow Call--"Gus" and "Call" for short--have much to learn about survival in a land fraught with perils: not only the blazing heat and raging tornadoes, roiling rivers and merciless Indians, but also the deadly whims of soldiers. On their first expeditions--led by incompetent officers and accompanied by the robust, dauntless whore known as the Great Western--they will face death at the hands of the cunning Comanche war chief Buffalo Hump and the silent Apache Gomez. They will be astonished by the Mexican army. And Gus will meet the love of his life. Comanche Moon Texas Rangers August McCrae and Woodrow Call, now in their middle years, are still figuring out how to deal with the ever-increasing tensions of adult life--Gus with his great love, Clara Forsythe, and Call with Maggie Tilton, the young whore who loves him--when they sign up to pursue the Comanche horse thief Kicking Wolf into Mexico. On this mission their captain, Inish Scull, is captured by the brutally cruel Mexican bandit Ahumado, and Gus and Call must come to the rescue, with the aid of new friends including Joshua Deets, Jake Spoon, and Pea Eye Parker, as well as the renowned Kickapoo tracker, Famous Shoes. *Lonesome Dove* Gus and Call, now retired from the Texas Rangers and settled in the border town of Lonesome Dove running the Hat Creek Cattle Company, are visited by their old friend Jake Spoon, who convinces Gus and Call to gather a herd of cattle and drive them north to Montana in order to start a cattle ranch in untouched territory. Gus is further motivated by a desire to see the love of his life, Clara Allen (nee Forsythe), who now lives with her children and comatose horse-trader husband in Ogallala, Nebraska. On the way to Montana they travel through wild country full of thieves, murderers, and a lifetime's worth of unforgettable adventure. *Streets of Laredo* Woodrow Call is back in Texas, a Ranger once again and a general gun-for-hire, but increasingly a relic as the westward sprawl of the railroads rapidly settles the once lawless frontier. Hired by a railroad tycoon to hunt down a dangerous bandit named Joey Garza, Call sets out once again with a hapless Yankee named Ned Brookshire who works for the railroad company that hired Call. Call's old friend Pea Eye Parker--who initially refused to join the expedition because of his family--sets off with the Kickapoo tracker Famous Shoes to try to catch up with Call, until he runs into troubles of his own. The long pursuit of Garza leads them all across the last wild stretches of the West into a hellhole known as Crow Town and, finally, into the vast, relentless plains of the Texas frontier.

When Breckin Henderson returned to her hometown of Parker, Oklahoma, she didn't expect her football coaching husband to leave her for the head cheerleader as soon as she walked across the graduation stage. Never one to run, Breckin remained in Parker, but picking up the pieces of her shattered life proves more difficult than she could ever imagine. For residents of Parker, Griff was the man who came home with a broken heart when the love of his life was killed in a tragic motorcycle accident. The grandson who drives his eighty-nine year old grandmother grocery shopping each week. The bartender who took over the bar his grandfather owned and subsequently took his grandfather's place listening to the town's troubles. Both Breckin and Griff's hearts have been broken once before. As they grow closer, will they be able to put their fears and insecurities aside and try to discover love again? Or will their hearts be too broken to ever completely mend?
