And when money starts to come tumbling your way in a manner that goes far beyond mere coincidence and luck, you will no longer doubt that Magic exists. From the author of Becoming Magic. It was 2010 and I had wasted my life. Stuck in a dead end job, divorced and in debt. For me, every day was much like the last. But things were about to change. Dramatically. So, how did a lonely, overweight, depressed 40-something woman go from poverty, debt and

despair to a life of fulfilment, happiness, wealth and spiritual awakening? Did I rob a bank, win the lottery or marry a millionaire? Did I see doctors, therapists and counsellors? Did I join a cult? No, none of these things. I used Magic. In this book, I share my true-life story of exactly how I went from rags to riches, from depression to awakening, and created a truly exceptional life for myself. Over the last few years, I've had many adventures and fantastic experiences. I have also life-changing insights into magic, manifesting, and the whole business of being alive. These insights

Finally, I have decided to go public, with this bitingly honest account of my discovery, mastery and belief in what I like to call Magic. By revealing my true identity I can finally prove to you that everything I said in my early books about

I want you create a life just as exceptional. For lovers of self-help, memoirs, and for those who like to believe that life should be magnificent. Even sceptics may read this book and start to wonder: Is Magic actually real?
