A budget plan is a crucial part of an effective financial plan, and can be created to track short, medium, or long-term financial goals. You can use a budget plan to save money, pay off debt, or assess long-term goals such as purchasing a home. A budget plan can initially seem daunting - if you haven't created a budget plan before, seeing your income and expenses realistically displayed in a spreadsheet can be quite a shock.

Keeping track of your finances so that you don't spend more than you can afford to each month can be difficult and time consuming. That's why Debt Advice Foundation has developed Budget Planner, a free budgeting tool that will help you manage your finances effectively. Budget Planner will automatically open in Microsoft Office Excel. If you don't have Excel, don't worry, there is a free application (Open Office Calc) that does the same thing available here (opens a new window).
