Trek Bike Owners Manuals and Bontrager Product Manuals ...
— When the bike is not in use try to keep it in a dry place out of the elements. — Keep the tyres properly inflated. This will prevent uneven tyre wear. It will also make your life easier as the bike will roll with less resistance. In turn the motor is working less and the range is extended. This can make more of a difference than you may think.

Fix a broken chain with a shoelace! Improve shifter performance with dishwashing detergent! Inside are thousands of tips to repair and maintain any road or mountain bike.
